PROFILE

Experienced Engineering Unit Manager with 10+ years in Microsoft & mobile development. Co-founded BindingFuture Srl, scaling it to 35 engineers and ~€2.6M revenue, now leading the Microsoft & Mobile Apps unit at Teoresi Group.

EXPERIENCE

Engineering Unit Manager – Microsoft & Mobile Apps

Teoresi Group SpA (Jan 2026 – Ongoing)

- Leading the Microsoft & Mobile engineering unit (20 engineers), following BindingFuture's acquisition by Teoresi
- Defining team training plans and supporting career growth
- Monitoring project delivery with PMs to ensure quality and timelines
- Coordinated the dev team of DINA through a major product release, ensuring alignment across Product, Design, and Operations

Engineering Unit Manager (formerly Delivery Manager)

BindingFuture Srl (Mar 2023 – Dec 2025)

- Led and scaled the engineering team up to 19 people, overseeing hiring, performance and career growth
- Defined presale and execution procedures for turnkey projects, supporting technical specification and budget planning
- Monitored time, costs and delivery quality across all active projects
- Coordinated the dev team of DINA (IoT Solutions), a SaaS for smart building management, working cross-functionally with Product, Design, and Operations

Co-founder & Team Leader

BindingFuture Srl (Sep 2019 – Feb 2023)

- Co-founded the company from 3 people, growing it to 35 employees and ~€2.6M annual revenue
- Delivered turnkey projects for major clients including ABB and UniCredit
- Led presale, technical proposals and team hiring from the ground up

Software Engineer (Freelance)

(Feb 2017 – Sep 2019)

- Managed end-to-end client engagements: requirements analysis, technical and commercial proposals, and full-stack delivery
- Developed client and server-side solutions using Microsoft stack: C#, WPF, UWP, ASP.NET, Razor, Bot Framework, MSSQL

Software Engineer

PRB Srl (Milan, Jun 2014 – Jan 2017)

- Designed and implemented custom integrations for enterprise clients using Microsoft stack (C#, WPF, WinForms, MSSQL)
- Collaborated directly with technical and senior management stakeholders, often on-site at client locations

Alberto Maserati
